**OSL Statement of Faith**

**We Believe:** God uses many agencies for healing: some are spiritual such as prayer, love, faith, anointing with oil, and the laying on of hands; some are medical such as medicine, surgery, and psychology. These agencies should be supportive of one another. God's desire for us is wholeness and health. Christian healing is accomplished through faith in Christ and through subjecting one's entire life to the scrutiny and counsel of God. We believe Jesus Christ is alive today and still possesses all power on earth as in Heaven.

**Our Objectives:** Promoting the restoration of the Apostolic practice of healing as taught and demonstrated by Jesus Christ; promoting a sound pastoral and counseling ministry; promoting the practice of holding healing services in every church; developing local chapters to promote healing missions, workshops and prayer groups in their area.

**There are OSL members and chapters throughout North America and worldwide.**

**The Rev. Mike Endicott**

Until Mike Endicott desperately sought the Lord about how we should pray for the sick, he did not see great results. He was becoming extremely discouraged. Very few people were being healed.

But all that changed!

Since learning to pray for healing as Jesus healed... he now sees amazing results... all the time!

**Mike declares:**

**“Healing ministry is for everyone... not just for a “gifted” few.**

And he shares the “how to” on 6 free mp3 downloads that you can access today.

Some of the stuff is downright miraculous!

**Jacob's Well**

The Order has three branches. There are licensed ministers who have been trained in healing ministry. Following selection they are licensed by the Church in recognition of their gifting. They work in their churches, which may be of any Christian denomination, under the oversight and encouragement of the Order. The second branch is that of the Alongsiders, who wish to be more loosely affiliated with the Order. The role of the Intercessory Branch is to uphold the members of the other two Branches in prayer, together with all activities, conferences and outreach.

The work of Jacob's Well is expanding. Well Centres have opened in other parts of South Wales and beyond, with plans for still more. The particular ministry is one of making connections between a deep sense of disease in the community that is common to both inside the churches and outside and the Gospel of reconciliation, healing and integration in Christ.

The Well Centre is the administrative headquarters of The Order of Jacob's Well. As well as a busy office, the centre offers a range of ministries to support its ministers across the UK and Christians and non-Christians alike who need God's help in their lives.
